

Prescription Drug Card Notice

Your @Work Flex Shield Plan prescription drug benefit includes a retail pharmacy card. Using this retail pharmacy card program, which includes a mail order program, may provide you with significant savings on your prescription drugs.

Very shortly you will be receiving a permanent plastic identification card and other information relating to this program.

Should you or a covered dependent need to obtain a prescription before you receive your permanent card, please provide this document with the information below, to your pharmacist.

RxBin: 603286
RxPCN: 01410000
RxGrp: 512344
Issuer: 80840

Your Pharmacist may also ask for additional identification including your Social Security Number, date of birth or ID number from your ID Card.

Below are just some of the over 60,000 participating pharmacies in the nationwide network. For additional participating pharmacies call the WHI Customer Care Center at 1-800-207-2568. or via the web at www.mywhi.com.

Walgreen's	Rite Aid	Target	Longs
Safeway	Eckerd	Sav-On	CVS
